Brenda J. McGivern, CPA launches new and improved website

Stoughton, Massachusetts – Brenda J. McGivern, CPA is pleased to announce the re-launch of their new website, www.bmcgiverncpa.com.

“Our new website will enable our clients and visitors to obtain more timely tax and accounting information”, states Brenda McGivern. The new site features an online Quarterly Newsletter for small businesses (“The Small Business Advisor”) and for individuals (“The Client Advisor”) which contains pertinent information based upon the upcoming fiscal quarter. Brenda J. McGivern, CPA says “Our clients have been asking us for a resource that will enable them to get timely information to help them manage their businesses and lives in real-time, rather than at the end of the year.”

While the website will feature Tax Tips and Resources sections, the most innovative portion of the new site is the Business Network section. “We wanted to do something to help our business clients promote their businesses and we felt that there was no better way to do this than by promoting their business on our website”, stated Brenda McGivern. The Business Network is a listing of businesses by business type with the business contact information. Members of the Network are encouraged to do business with other members for the purpose of fostering small business growth.
